

## Erwin Schrödinger Programme

### J3566 IL-17-producing innate cells in fungal infections

project lead: SPARBER Florian

university / research place: Institute of Microbiology, ETH Zürich, Wolfgang-Pauli-Strasse 10, 8093  
Zürich, Switzerland

decision board 02.03.2014

lifetime: 01.05.2014 - 31.10.2018

science discipline

60% 301 Medical-Theoretical Sciences, Pharmacy

20% 106 Biology

20% 303 Health Sciences

Keywords Innate Lymphoid cells, Fungal infection, Oropharyngeal Candidiasis, IL-17, Dendritic cells,  
Mucosal immunity
