Inaugural Event: 19th October 2017, 7 pm

Van Swieten Saal, Medical University of Vienna
Van-Swieten-Gasse 1a, 1090 Vienna

Austrian Platform for Personalized Medicine

The Austrian Platform for Personalized Medicine constitutes a national networking platform aiming to connect all stakeholders and interested parties in the field. The platform is open to individuals and organizations that would like to contribute to the future of personalized medicine in Austria.

We cordially invite you to the inaugural event and scientific symposium. We are looking forward to stimulating discussions!
