Invitation

Personalized Medicine: Expectations and Economic Aspects

3rd Annual Meeting of the Austrian
Platform for Personalized Medicine

Symposium:

14th October 2019, 11 am – 5 pm

15th October 2019, 9 am – 5 pm

Public Lecture:

14th October 2019, 6 – 8 pm

Van Swieten Saal, Medical University of Vienna
Van-Swieten-Gasse 1a, 1090 Vienna

We cordially invite you to the 3rd Annual Meeting of the ÖPPM guided by the two broad topics “Expectations” and “Economic aspects” in the context of Personalized Medicine.

The interdisciplinary program including educational sessions, workshops facilitated by the working groups of the Platform and a public lecture will provide ample opportunity for in-depth discussions and the drafting of position papers. The format aims to evaluate different stakeholder expectations and, at the same time, critically address the economic, regulatory and technological challenges on the way to implementation of Personalized Medicine in a health care system strongly marked by the principle of solidarity.

We look forward to welcoming you and to a stimulating meeting!

Michaela Fritz

Vice-Rector for Research and Innovation,
Medical University of Vienna

Renate Kain

Head of Department of Pathology, Medical University of Vienna; President of the Austrian Platform for Personalized Medicine
