

MEDICAL UNIVERSITY
OF VIENNA

Program

Personalized Medicine: Expectations and Economic Aspects

3rd Annual Meeting of the Austrian
Platform for Personalized Medicine

Symposium:

14th October 2019, 11 am – 5 pm

15th October 2019, 9 am – 5 pm

Public Lecture:

14th October 2019, 6 – 8 pm

Van Swieten Saal, Medical University of Vienna
Van-Swieten-Gasse 1a, 1090 Vienna

Monday, 14th October 2019

9.30 – 10.30 am

General Assembly of the ÖPPM

ÖPPM Members only

The conference language is English, the public lecture will be held in German. The workshop language is English, but dependent on the size/format of the workshop German can also be used.

10.30 – 11.00 am

Welcome Coffee

11.00 – 11.15 am

Opening

Michaela Fritz, Vice-Rector for Research and Innovation, Medical University of Vienna

Hemma Bauer, Federal Ministry of Education, Science and Research

Renate Kain, Head Department of Pathology, Medical University of Vienna, President of the ÖPPM

11.15 am – 1.15 pm

Session 1

Technological, Regulatory and Economic Aspects

Predicting Disease Prognosis to Improve the Clinical Management of Inflammatory Bowel Disease

Paul Lyons, University of Cambridge, UK

Challenges in the Implementation of Personalized Medicine from a Pharmaceutical Industry Perspective

Representative of Pharmig, Association of the Austrian Pharmaceutical Industry

Personalized Medicine and the Regulatory System

Ilona Reischl, Austrian Agency for Health and Food Safety (AGES)

Don't Take It Personally!

The Economics of Personalized Medicine

Thomas Czypionka, Institute for Advanced Studies Vienna, Austria

1.15 – 2.15 pm

Lunch and Posters/Industry Exhibition

Economic Aspects

2.15 – 3.15 pm

Keynote Lecture

Apostolos Tsiachristas, University of Oxford, UK

3.15 – 5.15 pm

Workshop – Economic Aspects

facilitated by Susanne Giesecke, Austrian Institute of Technology

18:00 – 20:00 Uhr

Öffentliche Vorlesung

Sprache: Deutsch

Personalisierte Medizin im 21. Jahrhundert:

Was können wir erwarten?

Rasante technologische Entwicklungen, eine zunehmende Digitalisierung und immer stärkere Personalisierung prägen das Bild der Medizin am Beginn des 21. Jahrhunderts. Der Begriff „Personalisierte Medizin“ hat jedoch für verschiedene Gesellschaftsgruppen unterschiedliche Bedeutungen, und er weckt viele verschiedene Erwartungen. Wie hat sich die Bedeutung des Begriffes im Lauf der Zeit gewandelt? Was kann man realistisch von ihr erwarten? Und was müssen wir bei der Umsetzung der Personalisierten Medizin in unser Gesundheitssystem beachten?

Von Hippokrates zur Digitalisierung:

Was Personalisierte Medizin heute bedeutet

Markus Müller, Rektor der Medizinischen Universität Wien

Personalisierte Medizin:

Nutzen-Schaden-Kosten Abwägungen

Beate Jahn, UMIT - Private Universität für Gesundheitswissenschaften, Medizinische Informatik und Technik, Hall in Tirol

Podiumsdiskussion

Es diskutieren:

Christiane Druml, Medizinische Universität Wien

Peter Eichler, UNIQA

Beate Jahn, UMIT - Private Universität für Gesundheitswissenschaften, Medizinische Informatik und Technik, Hall in Tirol

Markus Müller, Rektor der Medizinischen Universität Wien

Hans Jörg Schelling, PRAEVENIRE – Gesellschaft zur Optimierung der solidarischen Gesundheitsversorgung

Silvia Türk, Bundesministerium für Arbeit, Soziales, Gesundheit und Konsumentenschutz

Moderation: Astrid Kuffner

Tuesday, 15th October 2019

9.00 – 9.15 am

Welcome and Day 1 Recap

9.15 – 11.30 am

Session 2 Expectations and Limitations of Personalized Medicine

The Value of Precision Medicine in Oncology

Christophe Le Tourneau, Institut Curie Paris & Saint-Cloud, France

Personalized Medicine and Decision Making in Hematology

Ulrich Jäger, Medical University of Vienna, Austria

Decision Making and Priority Setting in Personalized Medicine

Alec Morton, University of Strathclyde Glasgow, UK

The Patient Perspective: Psycho Oncology

Elisabeth Andritsch, Medical University of Graz, Austria

11.30 am – 12.30 pm

Lunch and Posters/Industry Exhibition

Expectations

12.30 – 1.30 pm

Keynote Lecture

Potential Challenges to Doctor-Patient Trust in Personalized Medicine

Shlomo Cohen, Ben Gurion University of the Negev, Israel

1.30 – 3.30 pm

Workshop – Expectations

facilitated by Armin Gerger, Medical University of Graz, Austria

3.30 – 4.00 pm

Coffee Break and Posters/Industry Exhibition

4.00 – 4.30 pm

Wrap-up Panel & Closing Remarks

Please, register until 30th September 2019:
