
Announcement of the 2nd Biooptics Image Award

Herewith the 2nd Biooptics Image Award is announced for **all Innsbruck life science PhD Students**. A jury will select the winners. We will have an award in the two categories “Best fixed sample image” and “Best live sample image (movie!)”. The awardees will be honored during the award session within the PhD Life Science Meeting on April 6th, 2018.

Conditions

1. All Images/movies must have been acquired at one of the Biooptics Core facility microscopes by a PhD Student.
2. Submission and evaluation
 - 2.1. The submission form needs to be filled-in on the computer!
 - 2.2. Please submit tiff files in 8-bit data depth.
 - 2.3. The image/movie file should be zipped together with the submission form.
 - 2.4. Submissions (zipped from step 2.3.) will be accepted online via email (martin.offterdinger@i-med.ac.at). Big files (zipped from step 2.3.) should be sent via the aconet filesender tool. (<https://filesender.aco.net/>) using the university login (qNumber for MUI, cNumber for LFUI).
 - 2.5. Martin Offterdinger will screen all submissions for formal correctness and forward them to the referees.
 - 2.6. Referees will evaluate ALL submissions and decide on the award.
 - 2.7. Deadline: **April, 3rd, 2017, 12:00h.**
 - 2.8. Presentation of the winners will be during the award session: April 6th, 2018.

GOOD LUCK!!!!
