E-mail: [ana2011@brainplatform.net](mailto:ana2011@brainplatform.net)

## The Meeting

As in previous years the meeting will be a showcase of most recent developments in Austrian neuroscience from all disciplines ranging from invertebrate research to translational research related to neurological and psychiatric diseases. Besides plenary lectures by internationally recognized scientists the program will especially consider presentations of young scientists.

## Accommodation

Alpbach has numerous hotels and pensions at different price levels in walking distance (5 minutes or less) to the Congress Center. Rates start at 35,- € per person per night (single or double accommodation at the same price) including breakfast.

Bookings are handled by the "Incoming Reisebüro" of the Congress Center. This agency offers the lowest possible room rates that are directly negotiated with the hotels and the agency neither receives provisions from the hotels nor any compensation from the organizers. Please understand therefore that 12,- € per booking are charged as booking fee.

Booking guidelines will be published by

**March 15, 2011**

Deadline for early registration and abstracts:

**June 15, 2011**

Österreichische Gesellschaft  
für Neurowissenschaften

**12<sup>th</sup> Annual Meeting**  
of the  
**Austrian Neuroscience Association**

**September 19-21, 2011**

**Congress Center Alpbach**

**Tirol, Austria**

## **Preliminary Program**

---

### **Monday, SEPTEMBER 19<sup>TH</sup>, 2011**

15.30 – 17.15 **Registration**

16.30 – 17.15 **ANA board meeting**

17.20 – 17.25 **Welcome address**

17.25 – 17.30 **Opening ceremony**

17.30 – 18.20 **Opening Lecture I**  
**Natalie Sebanz (Nijmegen, Netherlands)**  
**"Interacting minds: a cognitive neuroscience perspective"**

18.30  
**Poster Session with buffet dinner, drinks and music (after poster session)**

---

### **Tuesday, SEPTEMBER 20<sup>TH</sup>, 2011**

08.30 – 17.00 **Registration**

09.00 – 09.50 **Plenary Lecture II**  
**Josef Penninger (Vienna, Austria)**  
**"From systems genetics to new pain genes"**

09.50 – 10.50 **Oral communications:**  
**Session 1**

10.50 – 11.15 **Coffee break**

11.15 – 12.15 **Oral communications:**  
**Session 2**

12.15 – 13.15 **Oral communications:**  
**Session 3**

13.15 – 14.00 **Lunch**

14.00 – 14.50 **General Assembly of ANA**

14.50 – 15.40 **Plenary Lecture III**  
**Peter Jonas (Vienna, Austria)**  
**"GABAergic interneurons: from input to output"**

15.40 - 16.10 **Coffee break**

16.10 – 17.10 **Oral communications:**  
**Session 4**

17.10 – 18.30 **Poster Session II**

19.00 **Dinner**

---

### **Wednesday, SEPTEMBER 21<sup>st</sup>, 2009**

09.00 – 09.50 **Plenary Lecture IV**  
**Ute Schäfer (Graz, Austria)**  
**"Neurogenesis, neuroregeneration - therapeutic approaches in experimental neurotraumatology"**

9.50 – 10.50 **Oral communications:**  
**Session 5**

10.50 – 11.15 **Coffee break**

11.15 – 12.15 **Oral communications:**  
**Session 6**

12.15 – 12.20 **FENS agenda**  
12.20 – 12.35 **Poster Prize Awards**

12.35 -13.20  
**"Otto Loewi Award Ceremony"**  
**Lecture of the Prize Winner**

13.20 **Lunch**

14.00 **End of the Meeting**

---

**Free communications are accepted for oral communications or poster presentations in any subspecialty of neuroscience. We encourage in particular contributions from young scientists.**

---

### **Otto Loewi Award**

In order to promote neuroscience research in Austria the Austrian Neuroscience Association awards this prize for outstanding achievements in any active field of neuroscience. The particular intention is to honour research undertaken in Austria. Any neuroscientist under age 40 working in Austria is invited to submit an application.

For details see: <http://www.univie.ac.at/ANA>

**Deadline for submission: 31.05.2011**
