Center for Molecular Biosciences Innsbruck

Wächter - Minisymposium

Ion channel as drug targets

in honor of Dr. William A. Catterall

Medizinische Universität Innsbruck

Ilse & Helmut WÄCHTERSTIFTUNG

SFB 021

BIOCENTER

Meeting location

Department of Pharmacology and Toxicology
Institute of Pharmacy
Peter-Mayr-Str. 1a

Seminar room and main lecture hall

Program

Friday, November 26, 2010

8:15 – 9:15	<p>Workshop 1</p> <p>William A. Catterall Seattle</p> <p><i>Calcium Channel Regulation in the Fight or Flight Response: It's More Complicated than You Think</i></p> <p>Moderator H. Todt, Vienna</p>
	<p>Symposium: Ion channels as drug targets</p>
	<p>Session 1 Chairperson: J. Rettig, Homburg</p>
10:00 – 10:05	G. Zamponi , Calgary: <i>Introduction</i>
10:05 – 10:30	G. Zamponi , Calgary: <i>NMDA receptors - a drug target for Alzheimer's disease</i>
10:30 – 11:00	E. Bourinet , Montpellier: <i>T-type calcium channels - a target for treating pain?</i>
11:00 – 11:30	A. Dolphin , London: <i>Ca²⁺ channel $\alpha_2\delta$ subunits – the molecular target for gabapentin</i>
	Poster Session I
11:30 – 11:45	J. Striessnig , Innsbruck: <i>Perspective – Ion channel research in Austria</i>
11:45 – 13:30	Posters and buffet lunch
12:30 – 13:30	<p>Workshop 2</p> <p>A. Dolphin, London; B. Liss, Ulm; D. Pietrobon, Padova</p> <p><i>Excelling in an academic research career as a woman scientist</i></p> <p>Moderator: A. Koschak, Innsbruck</p>

Program

Friday, November 26, 2010

	<p>Session II Chairperson: D. Pietrobon, Padova</p>
13:30 – 14:00	M. Biel , Munich: <i>Cyclic nucleotide-regulated channels as drug targets</i>
14:00 – 14:30	B. Liss , Ulm: <i>Ion channels in Parkinson disease</i>
14:30 – 15:30	<p>Honorary Wachter Award lecture</p> <p>William A. Catterall Seattle</p> <p><i>Voltage-Gated Sodium Channels: Structure, Function, and Molecular Pharmacology</i></p>
15:30 – 16:45	Poster Session II

Meeting organizers

Jörg Striessnig, University of Innsbruck
Bernhard Flucher, Medical University Innsbruck

Meeting office and contact

Jörg Striessnig, joerg.striessnig@uibk.ac.at
Bernhard Flucher, bernhard.e.flucher@i-med.ac.at

Registration for abstracts

Posters:
Please send abstract information (title, authors, presenting author) to joerg.striessnig@uibk.ac.at

Workshop 2: *Excelling in an academic research career as a woman scientist*

Please register by e-mail to alexandra.koschak@uibk.ac.at
