XI. INTERNATIONAL INNSBRUCK ANATOMY COURSE ON SURGERY OF THE SHOULDER

23 – 25 June 2025 in Innsbruck, Austria

*His/her attendance and participation in this educational course will involve contact with anatomical specimens.

*The anatomical specimens will be prepared and certified disease free by a third party company fully independent of chairman and the University Department of Orthopaedics and Traumatology Innsbruck.

*Even with such certification, the total absence of any kind of pathogenic organism can not be guaranteed.

*In consideration of this, the undersigned for himself, his personal representatives, heirs and next of kin, releases hereby the chairman as well as the University Department of Orthopaedics and Traumatology Innsbruck; its directors, officers, employees, representatives or any natural or legal person related to or in connection with the University Department of Orthopaedics and Traumatology Innsbruck of any and all liability to the undersigned, his personal representatives, heirs and next of kin, for any injury, disease or any other loss or damage that may occur during or after the educational course or causes directly or indirectly by the attendance and participation of the undersigned in the specified educational course.

*All photographs, film or audio recordings taken during the surgical course may be used on the department website.

*Images may be used in future publications, in any currently available media or any media available in the future, including for commercial purposes, without temporal limitations, and without fee or remittance.

*With this consent, I agree to the collection and processing of my personal data by the University Department of Orthopaedics and Traumatology Innsbruck.

Yes, I would like to receive further information about events organized by the University Department of Orthopaedics and Traumatology Innsbruck via email.
