

Curriculum Vitae

Univ. Doz. Dr. Ilja Vietor

Personal Data

Year of Birth:	1964
----------------	------

Career History

Since 2004	Associate Professor_Venia Legendi, Department of Cell Biology, Biocenter Innsbruck, Medical University Innsbruck
2002 - 2004	University Assistant, Department of Histology and Molecular Cell Biology, Institute of Anatomy, Histology and Embryology, University of Innsbruck
1996 - 2002	Postdoctoral Fellow, Research Institute of Molecular Pathology; I.M.P. Vienna. Laboratory of Doz. Lukas A. Huber
1994 - 1996	Postdoctoral Fellow, New York University Medical Center Department of Microbiology, New York, U.S.A. Laboratory of Professor Jan Vilcek
1993 - 1994	Staff Scientist, Institute of Experimental Endocrinology, Slovak Academy of Sciences, Bratislava, Slovakia. Laboratory of Dr. Richard Kvetnansky
1991 - 1992	Research Fellow, New York University Medical Center Department of Microbiology, New York, U.S.A. Laboratory of Professor Jan Vilcek
1988 - 1991	Ph.D. Candidate, Institute of Experimental Endocrinology, Slovak Academy of Sciences, Bratislava, Czechoslovakia. Laboratory of Dr. Tichomir Torda

Education

1988 - 1993	Ph.D. Thesis, Slovak Academy of Sciences, Institute of Experimental Endocrinology, Bratislava, Czechoslovakia
1982 - 1987	Study of Biochemistry at the Comenius University, School of Natural Sciences, Bratislava, Czechoslovakia

Funding

2010 - 2013	FWF	"Identification and characterization of TIS7 as a novel regulatory subunit of the methylosome complex in muscle differentiation."
2007 - 2010	IFTZ	"Identification of the regulatory mechanisms involved in TIS7-regulated differentiation and regeneration processes"
2005 - 2007	ITI Schweiz	"In vitro wound healing responses to enamel matrix derivative"
2006 - 2009	FWF	„Role of the TIS7 / SKMc15 genes in regeneration processes“
2006 - 2009	Jubiläumsfond der Nationalbank	"Analysis of the TIS7 and SKMc15 genes function during the neuronal development"
