

# Call for applications Helmut Sinzinger Award 2024

Dear colleagues!

The Chair of the Curatorium of the **Helmut Sinzinger Award** for the best publication 2023 on the subjects of lipid metabolic disorders, arteriosclerotic vascular diseases as well as the most recent diagnostic and therapeutic options, such as lipoprotein apheresis, cordially invites you and your staff to apply for this award.  
Please find attached the deed of foundation.  
The deadlines mentioned below apply.

Candidates who apply for the Helmut Sinzinger Award must submit four copies of a paper which has been published or has been accepted for publication (please submit the paper in a binder or casebound; loose leaves or electronic submissions cannot be accepted)  
Applications shall be sent to or handed in personally at the **Gesellschaft der Ärzte in Wien – Billrothhaus, Frankgasse 8, 1090 Wien, until June 30, 2024.**

Please visit us at [www.billrothhaus.at](http://www.billrothhaus.at) for further information on our current business hours.

The jury will invite the three best applicants to present their submitted work in a **15-minute lecture**, including a brief self-presentation, at the Billrothhaus of the Gesellschaft der Ärzte in Wien on **Wednesday, October 16, 2024, at 6 p.m.**  
(PowerPoint presentation, laptop available, lecture in German or English) with a brief discussion following the presentation.

We look forward to receiving your application!

Sincere regards,  
*The Chair of the Curatorium*

The papers submitted **cannot** be returned via mail due to cost concerns (applicants may collect their paper in person or cover the postage expenses). All papers will be kept until **December 18, 2024**, and will then be disposed of due to storage space restrictions.
