Dear colleagues,

The tradition of an annual meeting of the PhD students of the Innsbruck Medical University began ten years ago. Considering the positive feedback on our joint meeting with the PhD-Students of the Life Science Disciplines of the Leopold-Franzens-University, we will repeat this event this year.

In this context, we would like to invite you to the 10<sup>th</sup> **Meeting of Doctoral Students**, which will take place in the afternoon of November 14<sup>th</sup> in the Main University Building (Innrain 52). We are proud to announce **Dr. Anne Spang** from the Biozentrum Basel/Switzerland as this year's speaker for the plenary lecture.

The poster sessions of the meeting should give you the chance to present your work to a broad audience of students, groupleaders and professors. Out of all participants a jury will select the best posters which will be awarded respectively.

For details concerning abstract and poster guidelines or any further questions visit our homepage [www.i-med.ac.at/oeh/phd](http://www.i-med.ac.at/oeh/phd).
